

Assignment-7

- 1) Regulatory framework for primary market.
- * The primary market is regulated by government bodies such as the securities and Exchange Board of India (SEBI) in India.
 - * These regulatory bodies are responsible for ensuring that securities issuances are conducted in a fair, transparent and efficient manner.
 - * Furthermore, that investors are protected from fraud and other abuses.

2) Types of Public issue:

- * Initial Public offering (IPO)
- * Follow-on Public offer (FPO)
- * Private placement.
- * Qualified Institutional Placement (QIP)
- * Public issues.

3) Listing of Shares:

* Listing shares refers to a company's shares being added to a stock exchange's list of publicly traded stocks.

* Listing is a significant event for a company's growth and development, and can help it raise capital, strengthen its reputation, and provide liquidity to investors.

* Listing is not mandatory under the Companies Act, but it's important when a public limited company wants to issue shares or debentures to the public.
